

BECAUSE EVERY CHILD MATTERS TO JESUS

Kid's Bible Clubs Ministries, Inc.

... We will tell the next generation the praiseworthy deeds of the LORD, His power, and the wonders He has done. Psalm 78:4

A GLIMPSE INTO KID'S BIBLE CLUBS DURING 2012

2012 found us busy with many opportunities to share the love and story of Jesus Christ with children and youth! Our dedicated volunteers served faithfully teaching and transporting the kids every Tuesday as well as serving them dinner twice per month at our 2 locations, CrossRoads Community Church and Bascomb United Methodist Church. Along with other fine churches, community ministries and even a mission team all the way from Michigan, we were able to provide many events where the kids could learn and grow in their faith in Jesus including 3 weeks of Vacation Bible School, 5 camp opportunities, not to mention Bible, school supply and Christmas gift distribution! None of this would be possible without consistency in prayer and generous giving. To express our gratitude for God's provision through you, we are honored to share a few highlights of our year.

HAPPY BIRTHDAY JESUS 2012

Our 13th annual Happy Birthday Jesus party held on December 14 at Bascomb United Methodist Church was attended by a little over 400 kids in addition to some of their family members! Most arrived in KBC ministry vehicles including 5 buses and 2 vans. Each of the kids received a Christmas gift, birthday cake and refreshments. For the first time ever, we offered separate programs for the two age groups. SHINE of FBCW presented an excellent program for

children up to 5th grade. They demonstrated the true meaning of Christmas through a play, puppetry and music. The gospel message of turning from sin and to Jesus as Savior was clearly explained and many children received Jesus or indicated they wanted to know more. Our youth service for middle and high school students was coordinated by John Kelso. They worshipped, played games, heard a real life testimony of God's grace in the life of a former convict and

gained a new perspective on the Christmas Story. There were many churches and individuals who stepped up this year to provide the Christmas gifts, funding and labor to make it happen. Whatever part you played, big or small, thank you for honoring the Lord Jesus Christ. His Name was proclaimed and His love and kindness shown in so many ways through your many acts of kindness.

A KBC TEACHER MINUTE WITH CINDY DOBELSTEIN

She is small, thin, with brown hair and just the beginning of freckles on her pale face. She's been out a lot lately, but she was here enough to get saved and baptized a few months ago.

She came up to me tonight with a question before we got started. Her eyes were big and her face very serious.

"I've been wondering, who made God?"

I explained that God has always existed.

"But where did He come from?"

I explained we don't know but His word says he is the self-existent one.

She was puzzled. I explained we just couldn't figure everything out about God. But He reveals so much to us in His word.

She sat back down and paid attention better than I remember her doing before. Someone has her thinking . . .

FACES OF HEAVEN

LaShae at KBC, pictured at the bottom holding cake.

Victor Benitez, who attended KBC for several years as a young boy was killed in a car accident August 4. Returning home a job out of state, the driver of the work truck he rode in fell asleep at the wheel. Victor, age 19, was pronounced dead at the scene. His family requested that KBC do his memorial service and we were honored to do so. Victor received Jesus as His Savior at KBC and we also had the privilege of baptizing him. Many of his friends and family came to Lord at the home going service. That means the world to us right now. Thank you to all who helped raise funds for his service. Ten days later on August 14, another young lady who attended KBC as a child, LaShae Evans, also went home to be with the Lord. The reality hit us in a new way that we are not promised tomorrow, nor our next breath the importance of sharing the gospel with young and old alike. We pray God allows us to be a part of introducing many more like Victor and LaShae to Jesus Christ!

Kid's Bible Clubs is a non-profit Christian ministry dedicated to reaching unchurched and at-risk children and teens in lower income areas of our community with the Good News of Jesus Christ. Since 1999, we have provided opportunities for kids to begin their journey to know and to grow in a relationship with their Creator through the beautiful door that was opened by His precious Son. We provide transportation for approximately 200 children to attend our weekly Bible Study program. Each child is given an age appropriate Bible and we connect them to numerous local churches and Christian ministries that point them to the Savior. We are staffed by over 40 dedicated volunteers, prayed for and funded by generous Christians who want to be used by God to make a difference in the lives of kids who are lost and without hope. Won't you join us?

TEENS IN SERVICE

The 7th-12th grade girls who attend KBC are participating in ministry community service projects under the guidance of their teachers Miss Cari and Miss Diane. The girls served with Forever Fed, a ministry that provides meals and clothing for people in need. Our first joint effort in October 2012 was collecting coats for the needy and the homeless. They took opportunities to pray with people and were very efficient in all they were asked to do. While taking a walk after lunch, we discovered a school of fencing, something the girls did not know much about. We were invited in and the girls were given a complimentary lesson!

Thank you Forever Fed for welcoming the girls to serve on your team and North Atlanta Fencing Center for the recreational fun and excitement!

MEET THE KIDS: JOHNAS BENNETT

Johnas Bennett is 12 years old and attends Woodstock Middle School. He and his siblings have been attending KBC for 2 years. He says, "KBC is a very important church in our community. Each Tuesday, I have learned so much. I wouldn't be so close to God without KBC. So please help us so we can continue this every week."
