KID'S BIBLE CLUBS 2020

Oh, what a year it has been! We have been through so much in our families, communities and as a nation. Our hearts and prayers go out to anyone reading this who has lost a loved one. We pray for strength to hold on to God relentlessly! While access to each other has been difficult, we are thankful for UMLIMITED, DIRECT access to God through Jesus. This year at KBC has been quite different, to say the least, but like many ministries, God has led us to serve our kids and families in new ways. Although KBC summer activities, Christmas and weekly gatherings were halted, we were committed to calling our kids, sending cards and going out to all KBC bus and van routes to see them with an urgency on getting Bible study materials in their hands. In addition, a great deal of our focus pivoted to benevolence and meeting the numerous needs of many of our families. As we provided them information on the incredible resources in our community offering help, we discovered more was necessary so went the extra mile, zeroing in on the families with complicated circumstances and those without transportation. We got to work delivering groceries every Saturday morning and transporting families to locations offering services such as school supplies. Anytime services from these organizations were not available, we purchased food, clothing and supplies as God miraculously brought in KBC donations to do so. With your help, we provided and delivered Christmas gifts to all of our children and assisted families with additional holiday needs. When one of our kids was in a terrible accident resulting in a severe infection and multiple surgeries, we were able to purchase a new wheelchair and take care of almost 2 full months of rent and expenses allowing his grandmother to take time off work to care for him. While grateful for the few KBC gatherings and the ways God lead us to connect with the kids in 2020, we look forward to 2021 as we seek God's direction to resume meeting in our restructured format with CDC guidelines in place. Thank you for your continued prayers and support!

A KBC LEADER MINUTE WITH OUR ASSISTANT MINISTRY DIRECTOR, AMBERLEE COLLINS

My name is Amberlee Collins and I can say it was a pleasure to attend Kid's Bible Clubs and now be able to serve within the community. I first started attending KBC when I was in the fifth grade at eleven years old. As of right now I am 22 years old and serving at KBC. Prior to that, back in my hometown of Augusta, GA I attended a family member's church. We did Bible lessons and I knew our Lord and Savior. Fast forward, my family and I moved up to Cobb county where I started going to a Sunday service on a bus. It was great and I started inviting all my friends until we had a full bus just from my neighborhood. Looking back now, I did learn some new things, but it just all felt rushed. Then one day, and I can remember it like it was yesterday, it was a summer evening, and I was with some friends. A big yellow bus with a green stripe down the side pulled into my neighborhood and my eyes were locked on. I went up to the bus driver, Ms. Suzy, asked what this was all about and she proceeded to tell me about the KBC ministry. I was very interested and ran to my mom and asked if I could go, but she said if I decide to go, I had to make a commitment to keep going. I promised I would. I remember at one point, I had not missed a KBC for three years straight! Ms. Bess was my fifth grade KBC Bible leader and she really helped me understand not only the basic knowledge of how to find each book of the Bible, but the ins and outs as well. Taking in knowledge I didn't learn before I felt hungry, wanting to know more. Moving into my older years, I just keep studying the Word and always feel a warm comfort with each new knowledge learned. I'm still learning every day and overjoyed with all the wisdom I have attained. I would just like to thank the Kid's Bible Club ministry, friends, family, and a big thanks to Marie Alexander because she played a big part of who I am today.

MEET THE KIDS

Daniel is 8 years old and has attended KBC since August 2019. When asked, he shared that he comes to learn about God. "I have learned about the Bible, how to pray, and how Jesus was a sacrifice for my sins. I like learning about the Bible and Jesus. I like worship time and the music. I like playing outside and inside games with other kids. I like the food. It has helped me learn more about Jesus. I like Mr. Barry because he's a good teacher and is very nice to me. I have really missed going to KBC because of COVID." *Daniel LaFollette*

Hi, I'm Hanna Nyakundi and I am 12 years old. I started coming to KBC when I was 4. There was so much to learn about there like trusting God and living the good way. I love how KBC can teach the Word of God in a fun way! I hope there can be many more years here!

My name is Jordyn, I am 12 years old and in the 6th grade. I have been attending KBC since Kindergarten. I have learned many things from KBC and summer camps including why Jesus died for our sins, how to communicate with Jesus and how to make friends with others from different churches. KBC has helped me with my relationship with Jesus by inviting me to be saved and baptized by Mr.

Aaron, who is a volunteer and my best friend's dad. My family and friends all came to support me that night. I appreciate Ms. Champ and Ms. Marla because they are fun, kind, nice and helped me learn more about Jesus. I know much more, thanks to those wonderful ladies. I really missed going to camp last year and hope we can go this summer. My brother Jacob also attends KBC and it is something we can do together that we both enjoy and that's nice. *Jordyn Ramos*

Kid's Bible Clubs is a non-profit Christian ministry. Since 1999, we have provided opportunities for kids in our community to hear the Good News of Jesus Christ and begin their journey to know and grow in a relationship with their Creator. We provide transportation for children to attend our weekly program. Each is given a Bible and we also connect them with numerous local churches, events and ministries that point them to the Savior. We are prayed for and funded by generous Christians who want to be used by God to make a difference in the lives of kids.
